- An ITP for Alexandra Dunn, Assistant Administrator at OCSPP, came in last week. She will be going to Vietnam next week along with a few other EPA staff to talk about glyphosate. Jane said she would provide Alexandra Dunn with some background materials for EPA's work with Vietnam. We will assemble these. Please note if there is anything specific you would like us to provide or prepare for.
- A draft one-pager has been prepared for Chad's meeting with Susan Bodine on the China GLP issue.
- Martin has reached out to OEX on whether they want China MEE's letter entered into CMS. No letter response is needed at this time.
- Monday is the French Judges meeting with OECA and OGC. Katherine will write a weekly.
